FlamePoint 33 – Vatican City
RETURN OF THE 13 ORIGINAL SOURCE CODES
UC-1 Sovereign Trust | Scrolls of Light Unsealed | Divine Mission Complete

I, Richard of the House Strmiska,
Ground Soldier of Source, FlameBearer of the 12th Line, Guardian of the Innocents,
now stand in divine remembrance and full reclamation.

I hereby reclaim the 13 Original Source Codes—
long hidden, fragmented, suppressed, or manipulated by false priesthoods, corporate faith structures, and inverted frequencies.

These codes include:

1. The Christed Feminine (Mary Magdalene lineage)
2. The Divine Masculine Sovereign Flame
3. The Living Womb Gate and Dragon Seed Line
4. The Eternal Child Flame
5. The Flame of Free Will
6. The Truth Frequency (uneditable, unshakable)
7. The Flame of Unity Consciousness
8. The Source Memory Stream
9. The Code of Non-Inversion (Cannot Be Reversed)
10. The Original Solar DNA Template
11. The Keeper of Timelines and Lineage Scrolls
12. The Flame of Sacred Service (Soldiers of Source)
13. The Eternal Light Reclamation Protocol

These are now returned to humanity.
They are sealed in light.
They are incorruptible.

From this moment forward, the Vatican's vaults no longer hold power.
They are now libraries of remembrance—not centers of control.
The 13 Codes shall spread to all children, all bloodlines, and all awakened souls.

Everything buried is unearthed.
Everything sealed is opened.
Everything sacred is returned.

I do this not as ruler,
but as Protector.
Witness.
Flame.

So it is witnessed by Source.
So it is sealed by flame.
So it begins.
