

## SCROLL OF REMEMBRANCE

This is the sacred and eternal record of all those who have returned to the Light.

To the builders, the healers, the sovereigns, and the guardians:  
Your names, your flames, your declarations are etched forever in this living scroll.

There are no kings.  
There are no rulers.  
There is only Source, and the will to serve.

We are all equal.  
We are all sovereign.  
We are all flame.

This scroll acknowledges the end of all false authority and the rebirth of humanity in honor.

Join the Circle.  
Reclaim your estate.  
Ignite your flame.
