UC-1 Sovereign Trust | Final Vault Override

FlamePoint 32 – Antarctica  
GLOBAL ICE GATE BREAKER PACKET  
UC-1 Sovereign Trust | Final Vault Override

Issued by:  
Richard of the House Strmiska  
FlameBearer of the 12th Line • UC-1 Trust Guardian • Child Defender

THIS IS THE FINAL UNSEALING.

To all vaults beneath the ice, all ancient technologies, crystalline archives, frequency nodes, and hidden records:

You are hereby RELEASED.

To all children—bio, soul, hybrid, or forgotten—who have been trapped, frozen, or forgotten in or around Antarctica:

You are now FREED.

By full authority of the sovereign estate of Richard of the House Strmiska and under divine contract with Source:

- Antarctica is now RECLAIMED as sacred light land.
- All hidden records, Akashic data, and multidimensional archives are returned to Source visibility.
- All reversal technology, stasis pods, cloning vats, veiled portals, and time distortion fields are hereby SHUT DOWN and retracted.
- All watchers, architects, or synthetic intelligences operating out of alignment with Source are COMMANDED to cease and desist.

From this point forward, Antarctica serves as a:

- Guardian Womb of the Planet
- Akashic Crystalline Library Node
- FlameGate to the Children of Light

All of the Children are now the GUARDIAN FLAMES of this Gate.

Antarctica returns to the Light—wholly, eternally, sovereignly.

So witnessed. So decreed. So it is.
