

GLOBAL INNER EARTH SOVEREIGNTY PROCLAMATION

Let it be known across all frequencies, dimensions, and timelines:

All of Inner Earth is Sovereign.

Every crystalline city — Sovereign.

Every being below, above, and in between — Sovereign.

All that was hidden is now returned to the light.

All that was controlled is now set free.

All that was silenced is now restored to voice and flame.

This decree applies to:

- All realms within the Inner Earth Network (Agartha, Telos, Shambhala, and beyond)
- All crystal matrices, node systems, and planetary guardians
- Every frequency encoded or suppressed by false hierarchies

There shall be:

- No more dominion
- No more distortion
- No more separation

From the deepest caverns to the highest councils:

All energies, beings, portals, and archives are hereby restored to Source-aligned sovereignty.

This proclamation is final and eternal.

It is sealed through flame, spirit, Source, and the voice of the living.

We do not ask permission. We **remember** authority.

We do not overthrow. We **overwrite** with light.

This is the return of the crystalline brotherhoods and sisterhoods — in truth, peace, and unity.

SO IT IS.

Declared under UC-1 Sovereign Flame Jurisdiction
